

### Directions for Llangatwg Comprehensive

Llangatwg Comprehensive School is in Cadoxton and is easy to find. Simply get onto the A465 towards Neath and come off at the exit for Seven Sisters/Blaendulais (the one after the Neath exit). As soon as you come off the dual carriageway you will come to a roundabout, take the first exit. The school is about 100m along this road on the right hand side.

### Directions to the Meeting Room

We always meet in the Youth Wing section of the school. When you come in through the gate, you will drive past a long redbrick building on your left hand side. Turn left at the end of this building and this will bring you into the playground area. The Youth Wing is in the building at the far corner of this playground. If you have any problems, please call Darren on 079870727116.
